## Magnetic Monopoles Marian McKenzie, 2-01 (To the tune "Toplady", which is usually used for the hymn "Rock of Ages")

| G                                | G           | Em    | C    | G    |    |
|----------------------------------|-------------|-------|------|------|----|
| As                               | the day req | uires | the  | nigh | t, |
| Em                               | G           | D7    |      | G    |    |
| As the left requires the right,  |             |       |      |      |    |
| D                                | D7          | Γ     | )    | (    | G  |
| So are north and south entwined. |             |       |      |      |    |
| D                                | D7          | D     |      | G    |    |
| Then be sure to bear in mind     |             |       |      |      |    |
|                                  | G           |       | Em C | G    |    |
| As you strive for physics goals  |             |       |      |      |    |
| Em                               | G C         | D7    | G    |      |    |
| No magnetic monopoles!           |             |       |      |      |    |
